

Winchester 12g Model 21 Hammerless Shotgun

Serial Number 11661

\$4500.00

DESCRIPTION

Winchester 12g Model 21 Double Barrel Hammerless Shotgun, serial number 11661, made in 1940.

Standard model, non-ejector with two triggers, checkered pistol grip and splinter forend. Original hard rubber butt plate and 14" LOP.

The 30" *Winchester Proof Steel* barrels have a flat matted rib and are choked Mod & Full.

Super high, original condition gun retaining nearly all of its original metal and wood finish, save for the few marks it has picked up in its 81 years of history, this is a collector grade gun or a classic pre-WWII, American double barrel bird gun in virtually unused condition.
