A Westley Richards .375 (H&H Magnum), Mauser-action, magazine rifle (Left Handed).

A best quality ‘Gold Name’ hunting rifle in .375 H&H Mangum, the double square bridge Mauser action, with left handed bolt, fitted with claw mounts and Swarovski Z6i telescopic sight.

22” barrel with quarter rib, standing ramp-sight and one folding leaf-sight to 200 yards. Hinged shroud and blade foresight.

The dark, well-figured, pistol-hand stock with leather covered pad measures 14 ¾” to centre and sports a large gold oval.

Fine engraving to grip-cap, bolt-handle, screw and pin heads, stippling to quarter rib. Three-position safety, gold engraved ‘SAFE’ . The stock and barrel fitted with sling eyes.

The rifle shows very little use and may be re-finished and altered to the customer’s preferences. A rare chance to secure a true left-handed Westley Richards rifle in this most versatile of all chamberings.
